# Robert Dirken Portfolio.

Concept

- Personal
- Clear direction throughout
- Balancing empty space with information
-

Wireframing

Theme

- 2 Main Colours
- 1 Header font; 1 Reading font
- 100 Viewport scroll free when possible
- Scroll snap when not
- Clear view of necessary info

Simple Menu

Simple font (but good.)

Lots of space

Socials

Challenges

- Flex => Grid => Flex =>Grid/Flex
- Javascript.
- Scroll / IPhoning.
- Bugs
- Organization

Challenges

- Viewport size
- The little bars on either side in Safari
- Sleep
- Javascript

- Scroll / IPhoning.
- Bugs
- Organization

- Not thinking in code before bed

- Trying to figure out how to search for the thing you want.

Challenges

CSS moves very fast.

Want big impact?
Use big image.

Thank you for watching my presentation, and stay strong during these uncertain times.
